

21AFTERSCHOOL

SAMSAT

AREA 21™

The San Antonio Museum of Science and Technology invites you to participate in the **21AFTERSCHOOL** program at **AREA 21®** in the *Boeing Center at Tech Port*.

- Eligible Grades: 3rd – 12th
- Eligible districts/schools: Edgewood, Harlandale, San Antonio, South San, and Compass Rose Ingenuity campus.
- Duration: 1.25 – 2 hours per visit
- Flexible Timing: Anytime between 3:45 PM – 6:30 PM
- Days offered: Monday through Friday
- While school is in session, through February 2025
- Reciprocal Visits: Each visit to us equals a visit to your school (1:1)

Integrated into classes will be information about local education and career pathways, with take-home content on education pathways prepared for students and their parents. Students will also earn SAMSAT Academy Digital Badges, building their resume/portfolio.

The program will encompass project-based STEM classes focusing on the following categories:

- Cyber / IT
- Space (in partnership with the [WEX Foundation](#))
- Esports
- Robotics
- Advanced Manufacturing
- AR / VR

Frequently Asked Questions

- Which students? How often? What topics?
We're very flexible within the framework of the program. Want many students to come once? A few students to join many times? Contact us, and we'll align to your specific goals.
- Can you help with transportation and staffing?
There are funds available to *offset* the cost of transportation and staffing.
- How do we learn more?
Contact us at info@samsat.org.
